

## 4-H Record Book 4-H Story

This is my story that tells what I did in 4-H this year!

- Did you:
  - attend club meetings of special interest to you
  - learn a special skill
  - help with fundraisers
  - help with a community project
  - attend day camp or a youth conference?
- What was the highlight of your 4-H year?
- Is there something you accomplished during the year that you didn't think you could?
- What would you have liked to do differently?
- Use a separate sheet for photos, if you wish
