

4-H SCYHL-- Sawyer County Youth Health Leaders (SCYHL)

UW-Extension Conference Room, Sawyer County Courthouse

April 22, 2017-- 10 am to 12 pm

Attendance: Members: Jason Knuckey, Shahayla White, Michaela Hudson; Adult Advisors: Eileen Simak and Lori Laberee

Review of letter for request to accept reusable shoes to community partners. Group accepted letter; Lori will email.

Communication with Membership: We determined a phone call was necessary to communicate with the membership prior to the monthly meeting. Michaela volunteered to contact all members by telephone within two days of the monthly meeting. It was decided that Eileen will call Michaela to start the "phone tree: with her cell phone 715 558-9999. Shahayla will instant message everybody.

Shoe project: We worked on the four totes we had to create a message for the totes to be displayed throughout the county. We brainstormed which locations would have the greatest impact and support our initiative to collect shoes. We discussed timing of the collection process and decided we would "target" a location/community partner for a set amount of time and then move on to another location/partner. We will work on alternative methods of collecting wearable shoes for the future. For now, and until we are able to get more totes for shoe collection, we will continue with our present plan of shoe collection.

SCYHL message for totes was created and totes were prepared for display.

Michaela will take the shoe project to Hayward High School (Eileen will assist with permission from school administrator); Jason will contact Winter CO-OP and Jason and Shahayla will contact Winter School. Faith communities were considered: Hayward area included (1st Lutheran, Wesleyan and St Joe's). Potentially connect with Clean Sweep in the future with more planning time.

Identify partners and send a letter to ask them if they would like SCYHL to provide the tote. May and September totes in the schools; due to only four totes. June in the churches 1st Lutheran, Wesleyan and St Joe's.

Eileen will take the template and create letters. The following list are places to consider for shoe collection.

Winter:

- Coop Grocery Store
- American Legion
- Schools
- Faith Communities

Hayward:

- Courthouse
- Vets Center
- Schools
- Faith Communities

Lac Courte Oreilles:

- Tribal Office
- LCO College
- Schools
- Faith Communities
